

INTERNATIONAL STUDENT FINANCIAL STATEMENT (ISFS)

2024

U.S. federal immigration regulations state that all students requiring issuance of the I-20 (Certificate of Eligibility for Nonimmigrant (F-1) Student Status) must document their ability to meet all educational and living expenses while studying in the U.S. **The following expenses must be met:**

	ASSOCIATE'S	BACHELOR'S	MASTER'S
Tuition and Fees	19,700 USD	25,500 USD	28,000 USD
Living Expenses	28,400 USD	28,400 USD	28,400 USD
TOTAL	48,100 USD	53,900 USD	56,400 USD

This estimate represents a modest budget for one year's attendance at FIT. These figures are non-negotiable and include tuition and related fees, room and board, educational supplies, and personal expenses. While only one year of funds needs to be verified, this amount (plus an approximate 10% per year increase in expenses) must be available for each year of study.

Do not expect to subsidize your expenses by earning income or engaging in any kind of work while in the U.S. The U.S. Department of Homeland Security (DHS) severely restricts employment in the U.S., and financial aid is not available to nonimmigrant students at FIT.

EVIDENCE OF FINANCIAL SUPPORT

The funds for one year of study and related expenses may be provided by a single source or a combination of sources either within or outside the U.S. Each sponsor or family relative pledging support must sign this form as instructed. This form and all supporting documentation must be dated **within 6 months** of beginning attendance at FIT.

Students must provide a bank statement or verification of funds from each financial institution where any portion of these funds is on deposit with this form. The bank statement or letter must be in English on official bank letterhead (with official translation if necessary), clearly showing the stated amount of pledged support is on deposit.

The amount must be written in U.S. dollars (USD) or converted to USD using an official and current conversion rate. Statements whose currency has not been converted to USD will be returned. **The funds must be in liquid assets.**

INSTRUCTIONS

Keep copies of this form and all supporting documents; they will be required by the U.S. Consulate when applying for a visa and by immigration officers upon entry into the U.S. For more information on applying for an F-1 visa and a detailed explanation of the terms and conditions for maintaining F-1 status, visit fitnyc.edu/iss.
