

The Classroom Feedback Questionnaire

Dear Student: Please take about five minutes to respond to each of the questions below about this session's class. *Don't put your name on the form – your responses are anonymous.* When you have finished writing, please leave it on the table by the door. Thank you for taking the time to do this. What you write will help me make the class more responsive to your concerns.

1. At what moment in class today did you feel most engaged with what was happening?
2. At what moment in class today were you most distanced from what was happening?
3. What action that anyone (teacher or student) took in class today did you find most helpful?
4. What action that anyone (teacher or student) took in class this week did you find most confusing?
5. What do you know now that you did not know prior to this session?
