

June 2, 2011

Dear New BS Student:

We were happy to greet so many of you on campus June 2 for early advisement/registration for the fall 2011 semester.

For those of you who were not able to join us, please get in touch with your department Chairperson between now and the start of fall classes for advisement. You will be able to register for your classes continuously via the online registration system except for the blackout dates of June 21 thru June 23.

You may access department information on the FIT website at: www.fitnyc.edu and registration information at: www.fitnyc.edu/registration. Please be aware that many department Chairs/Faculty are not on campus on a regular basis during the summer months. You may not receive an immediate response to your inquiry.

Program changes/adjustments may also be made continuously via the web with the same applicable blackout dates.
