

## **COMPLETE WITHIN 30 DAYS OF EMPLOYMENT**

FIT is offering two affirmative action training sessions on-line:

1. Preventing Sexual Harassment
2. Preventing Employment Discrimination

Both sessions take about 60 to 90 minutes each to complete, and both are very user-friendly. You can complete them in intervals; if you need to leave the program before you have finished, you can bookmark your location by pressing Ctrl+D (Cmd+D for Macintosh).

You may begin to take the training at anytime by following this link:
