President's Advisory Committee on Campus Security

Purpose: The President's Advisory Committee on Campus Security is established in compliance with the requirements of New York Education Law §6431.

Membership: The committee shall be comprised of at least six members, at least one-half of whom shall be female. One-third of the committee shall be appointed from a list of students provided by the FIT Student Association that contains at least twice the number to be appointed; one-third shall be appointed from a list of faculty provided by the Faculty Senate that contains at least twice the number to be appointed; one-third shall be selected by the President. The President shall also designate one member of the committee to be Chair.

Functions: 1. The committee shall review and recommend improvements to campus security policies and procedures for: (a) educating the campus community, including security personnel and those people who advise or supervise students about personal safety, crime prevention, sexual assault, domestic violence and stalking; (b) reporting sexual assaults, domestic violence and stalking incidents and assisting victims during investigations; (c) referring complaints to appropriate authorities; (d) counseling victims; and (e) responding to inquiries from concerned people

2. The committee shall report, in writing, to the college president on its findings and recommendations at least once each academic year; and such report shall be available on request.

Revised effective July 1, 2014
