INTRODUCTION

A. The Fashion Institute of Technology (“FIT” or “College”), a community college of art and design, business and technology of the State University of New York, currently has an enrollment of approximately 10,000 students; approximately 6,500 students study full time and another 3,500 take part-time classes. Located in the Chelsea area of Manhattan, FIT’s facilities are composed of a twelve-building complex containing administrative offices, classrooms, computer labs, and studios. The campus also includes the FIT Foundation (hereinafter, “FIT Foundation”). The FIT Foundation is qualified as a charitable organization and a 501(c) (3) non-profit public benefit organization serving as the fundraising body for the benefit of the College. For purposes of this RFP, unless otherwise specified all references to FIT are inclusive of the FIT Foundation.

B. FIT Foundation seeks to engage the services of an experienced and highly creative sponsorship agency hereinafter known as the (“Firm”), to develop and pitch FIT event and program sponsorships to corporate partners during the academic year (August through June). The ideal Firm will work closely with FIT Foundation team members and be charged with providing two phases of work. Phase one includes analyzing sponsorship needs, valuing sponsorships and developing pitch materials. Phase two includes pitching sponsors, developing sponsorships and partnerships, and transitioning those partnerships to the FIT Foundation team. Areas of sponsorship focus on programs and events including but not limited to exhibition funding for the Museum at FIT and the Art and
Design Galleries, the annual Couture Council Luncheon, the sustainability conference and sustainability focused programming/events, the Entrepreneurship Summit, the Design and Technology Lab, the MFA and the Future of Fashion runway shows, and the annual FIT Foundation Gala. This work will include all elements from the research phase, creation of sales collateral, to conducting outreach and ultimately securing partnerships. The Firm must be familiar with current non-profit/higher education standards, rules and practices, specifically as they relate to securing programmatic and event sponsorships. In addition, the Firm provides input and coordinates with FIT Foundation.

I. REQUIREMENTS

At no time shall the Proposer, its agents, representatives or contracted personnel contact or otherwise communicate with FIT personnel without prior arrangement with the FIT Purchasing Office, for the purposes of negotiating, modifying, changing, or interpreting the Proposal or specifications.

Questions shall be submitted in writing to the attention of the FIT Purchasing Office via e-mail to by August 15, 2023 no later than 1:00 PM. Answers will be provided in a timely manner.

All Proposals submitted in response to this RFP will become the property of FIT and a matter of public record. The Proposer must identify, in writing, all copyrighted materials, trade secrets, or other proprietary information that it claims is exempt from disclosure. Any Proposer claiming such an exemption must also state in its Proposal that the Proposer agrees to hold harmless, indemnify and defend FIT and its agents, officials and employees in any action or claim brought against FIT for its refusal to disclose such materials, trade secrets or other proprietary information to any party making a request thereof. Any Proposer failing to include such a statement shall be deemed to have waived its right to exemption from disclosure.

Proposals must be signed. Proposals must be completed in Proposer’s legal name.

Proposals shall offer best and final terms. All prices shall be firm and not subject to increase during the period of the contract.

FIT reserves the right to award a contract on the basis of Proposer’s submitted proposal without further discussion. Proposer’s ideas or concepts included in the Proposal are solely intended for implementation into a contract.

By signing and submitting your Proposal, Proposer affirms that it has read this RFP, accepts its terms and conditions, and is able and willing to sign the contract if Proposer’s proposal is
accepted, subject only to any changes negotiated and agreed upon by both parties. The issuance of a letter of intent to award or similar document does not require or commit FIT to enter into a contract until all terms and conditions are negotiated and acceptable to FIT. In the event of any inconsistencies between the Proposal and the RFP, the language of the RFP will prevail unless there is a written agreement to accept the Proposal’s terms

*Bid Security, Performance and Payment Bonds are NOT required for this Contract.*
