NOTICE TO ALL FIRMS

Date: February 27, 2024

To: All Prospective Bidders

From: Sam Li

Interim Director of Procurement Services

Re: Addendum Number 2

RFP # C1613 – As-Needed Lighting Designer

Notes:

- 1) We are releasing the hold on this RFP.
- 2) Please see answers to the RFIs below.
- 3) The new RFP due date is Tuesday, March 5, 2024, 12:00 PM. We must receive the RFPs on or before March 5, 2024, 12:00 PM.

Questions

- Q1. The RFP references use of "FIT's existing lighting equipment". Please provide a complete equipment inventory of FIT's existing lighting equipment and identify who is responsible for the upkeep of the equipment and on what schedule.
- A1. We are not able to produce this at this time.
- Q2. For the two most recent complete fiscal years, please provide the number of occasions that FIT rented in additional lighting equipment.
- A2. None
- Q3. Will the practice of FIT renting supplemental lighting equipment directly from lighting equipment vendors which are not the contractor continue under this agreement?
- A3. Yes
- Q4. Will FIT contract for the services of any other Lighting Design Companies at the locations referenced in the RFP during the term of the agreement?
- A4. No
- Q5. The contractor is not to be physically headquartered at FIT. Please confirm that work performed off-site at the request of FIT including preparation of design documents and attendance at pre and post production meetings hosted by phone or electronically is compensable under the agreement.
- A5. Yes

Q6. The contractor is not to be physically headquartered at FIT. Please confirm that FIT will make best efforts to provide notice to the contractor of deadlines, pre and post production meetings, event start and end times, cancellations, and changes to the schedule.

A6. Yes

Q7. In cases of cancellations on short notice, the contractor may have incurred expense associated with the canceled work. Please confirm that these incurred expenses are compensable under the agreement.

A7. Yes

- Q8. For the two most recent complete fiscal years, please provide the number of days along with start and end times for which FIT engaged lighting design services.
- A8. FY21-22 and FY22-23 production schedules attached.
- Q9. Can we list multiple labor positions with different rates based on knowledge and skill set? Example not all events will need a lighting "designer", some events may only need a skilled technician. Architectural lighting design may require a more senior technician than a lighting tech for a small event.
- A9. We'll need the rates for a Senior technician, Lighting tech, deck hand, and production manager. See attached updated Exhibit A: Proposal Analysis Sheet, please complete and include the updated proposal analysis sheet with your RFP submission.
- Q10. How would hour-tracking and invoicing work for offsite support? i.e. phone/web conferencing, weekly production meetings and pre-production work, shop prep, CAD drawings, etc.
- A10. Only an hourly rate for consultation no other off-site prep has been needed
- Q11. Can you provide a job description for the Lighting Designer position?

A11. See the RFP

Q12. Would all billing for any additional gear and labor needed for special events be handled solely through the lighting design firm?

A12. No

- Q13. Please provide estimations or examples of the frequency of the different types of events you list in your RFP based on previous years:
 - Exhibitions
 - Conferences
 - Business Meetings
 - Symposiums
 - Fashion Shows
 - Graduations
 - Receptions
 - Trade Shows
 - Performances
 - Other

- A13. You are reminded that FIT is looking for an As-Needed Lighting Designer (contractor). The Contract shall be a requirements contract. Contractor cannot expect any minimum or base amount of earnings per year. FIT makes not guarantee of the amount of Work that may be required under this Contract. Below is a list of event types and an annual estimate of its frequencies.
 - Exhibitions Quarterly
 - Conferences Often
 - Business Meetings Often
 - Symposiums Often
 - Fashion Shows Rarely
 - Graduations Annually
 - Receptions Often
 - Trade Shows Often
 - Performances Often
 - Other Rare
- Q14. How many of the above events have lighting budgets under 5k?
- A14. Most
- Q15. How many of the above events have lighting budgets between 5k and 25k?
- A15. Rare
- Q16. How many of the above events have lighting budgets over 25k?
- A16. Rare
- Q17. Please send full specs of lighting gear inventory for each space and PDF or CAD drawing files for the spaces.
- A17. See attached.
- Q18. a) Who is in charge of maintaining the spaces and upkeep of all the lighting gear and systems? Is that a full-time position?
 - b) Is that supposed to fall on the LD Firm to handle if there is no one on your staff?
 - c) Is there a separate budget line for this?
- A18a. Facilities maintains the spaces
- A18b. Lighting contractor advises on upkeep
- A18c. Not a separate budget line
- Q19. We would like to see example drawings or plots of at least 5 previous events of various sizes to understand scope and complexity in order to best manage your expectations.
- A19. See attached.

- Q20. From past year experience, how many events on average need additional labor and gear from what is maintained in-house?
- A20. Not many, only a few.
- Q21. Please confirm that "Material Cost" is only in reference to consumable supplies. I.E. Gaffers Tape, Gells etc.
- A21. Yes
- Q22. Please send schedule examples or list of events from previous years to give us an idea of the potential workload.
- A22. FY21-22 and FY22-23 production schedules attached.
- Q23. How is weekly staffing for events and functions scheduled? Will we get access to a calendar from FIT to plan well in advance?
- A23. We distribute the production calendar 2 times a week with a 2 month look ahead. We can pull reports for further in time if requested.

 Calendar access is TBD
- Q24. Please confirm that labor is intended to be staffed on an as needed basis, and there is not an expectation for an LD to be onsite daily during business hours.
- A24. That is confirmed
- Q25. How often are there last-minute labor requests? When you call for the tech, how soon does that person need to be on-site?
- A25. This is only for emergency situations and we would still try to give 48 hrs. advance notice
