Re: Addendum Number 3  
IFB # C1747 – Façade Repairs – Kaufman Hall

### RFI #1 – Liquidated Damages

The bidder requested clarification regarding the liquidated damages provisions referenced in the specifications, noting that no defined amount was included. The bidder also requested clarification on the statement indicating that, in the absence of specified liquidated damages, the Contractor may be liable for actual damages resulting from delayed performance or non-performance.

#### Revised Response:

Liquidated damages will **not** be assessed for this project. All language referencing liquidated damages will be **removed** from the final Contract for Construction. No liquidated damages amount will be included, and the related provisions will be omitted.

To ensure firms have adequate time to review the RFI responses and incorporate these updates into their submissions, we will be extending the bid due date. All bids must be received on or before **Wednesday, May 27, 2026, at 12:00 PM.**
