Questions

Q1. Alternate 1 calls for painting ceiling and above lockers in BX-06. Per the attached Subcellar Floor Plan there is 1,506 SF of ceiling including the corridors. Is the alternate price to paint all 1,506 SF? Also, please clarify the painting above the lockers in BX-06. Not sure which walls the alternate would pertain to.

A1. The alternate is to paint all walls and ceilings in the marked up area without moving any existing lockers, fixtures, mirrors,etc. (See attached image)
