Notes

- 1) Section II. Bids Terms and Conditions, subsection II. Bidder Requirements, item A. states, "Bidder shall have been primarily a General Contractor in the roof renovation business for a minimum of five (5) years as of the Bid Opening Date. Proof shall be submitted with the Bid."

We're removing the roof renovation reference, the revised statement should now read, "Bidder shall have been primarily a General Contractor business for a minimum of five (5) years as of the Bid Opening Date. Proof shall be submitted with the Bid."

- 2) Section II. Bids Terms and Conditions, subsection IV. Approval of Subcontractors, states, "Subcontracting shall be permitted not to exceed 30% of the work of the Project as determined by FIT."

We're updated the subcontracting limit, the revised statement should now read, "Subcontracting shall be permitted not to exceed 60% of the work of the Project as determined by FIT."
