

Timestamp	1. With regard to teaching with technology, I better understand the student perspective as a result of this activity.	2. I learned things at this event that I plan to apply to my teaching.	3. The students at my table were interested in the topics/questions we discussed.	4. Questions/topics were appropriate for this activity.	5. More student/faculty forums such as this should be scheduled.	Please use the box below for a
11/20/2009 13:48:35	5	4	4	5	5	
11/20/2009 13:52:43	5	3	5	5	5	I hope the outcomes of the roundtable consideration by faculty and administration students do not want social networking in the classroom and I wholeheartedly to do to make the classroom experience enjoyable for students and faculty.
