Conference on Computing in the Disciplines

Design Technology:

Catalyst for Creativity

Friday, October 17th, 2008

John E. Reeves Great Hall
Fashion Institute of Technology
Seventh Avenue at 27th Street
New York City

This conference seeks to provide faculty, across the curriculum, the opportunities to learn about new and emerging design-related technologies and to explore innovative pedagogies that foster creativity in the classroom.

We will begin accepting proposals, abstracts and registrations on July 15th, 2008.
