(Please Print)

You must submit proof of parent(s) IRS non-filing status. In order to get the Verification of Non-filing (VNF) from the IRS, please complete IRS form 4506-T and mail or fax it to the IRS according to the instructions on the form. The IRS will then mail a VNF to you. You cannot have VNF sent directly to FIT. Once you receive the VNF from the IRS, please make a copy, put the student's name and ID number on it, and submit it to Financial Aid Services.

If you are unable to obtain the Verification of Non-filing from the IRS, please fill out the form below and submit to Financial Aid Services.

Please Note: An IRS Verification of Non-filing Letter or a Parent Statement of Non-filing must be submitted for each parent in the household that did not file a federal tax return in 2020.

You are required to wait ten days from the time you attempt to get a Verification of Non-filing from the IRS before completing this form if you have a social security number/ITIN (Individual taxpayer identification number) or an EIN (Employer identification number). **Fill out appropriate box below:**

- For the tax year 2020, I am unable to obtain a Verification of Non-filing because I do not have a social security number/ITIN (Individual taxpayer identification number) or an EIN (Employer identification number).
