*Each degree managed by a department develops an assessment plan*

**Outcome(s) assessed:** Which program learning outcomes will be assessed this academic year? *As a reminder, not all outcomes need to be assessed each year.*

**Describe the Assessment Design/Methods:** Provide a description of the assessment design the program will use. Provide the information available – some programs may have already selected courses, developed rubrics or surveys, etc. while others may be still planning the details. If rubrics, surveys, etc. are available, please attach.
