Policy Statement
FIT will use an individual’s preferred first name to the fullest extent possible, except as may otherwise be required by law. No individual will be required to give an explanation or state a reason for why that individual is requesting or has designated a preferred name.

Reason for the Policy
FIT recognizes that for a variety of reasons members of our community may wish to identify themselves by a preferred name that is different than their legal name. This policy follows best practices to further FIT’s goal of attracting and retaining diverse students, faculty, and staff. It is part of FIT’s mission to embrace inclusiveness and this policy is aligned with the SUNY Board of Trustees’ resolution “to make SUNY the most inclusive higher education system in the country.” This policy is consistent with the provisions against discrimination in the NYC Human Rights Law at NYC Admin. Code §d 8-107.
