FABRIC PRINTING DISCLAIMER

It is the responsibility of the customer to read this disclaimer **prior** to submitting their job.

Digital fabric printing is intended for sampling purposes only. Colors will fade if washed or dry cleaned as we do not treat our fabric before or after printing.

Fabric stock and roll widths are subject to change without notice.

Maximum printing length is 65 inches. Longer lengths will be considered on a case-by-case basis after consultation with PrintFX staff.

Due to the inherent nature of fabric, inevitable minor flaws and inconsistencies may occur in your prints. An example of this is loose fibers flaking off leaving a white spot during the printing process as in the photo below. PrintFX will not reprint nor provide a refund for minor flaws once the job is printed.

Fabrics may have fraying along the edges.
