

# Rights and Reproduction Agreement for Digital Media or Television/Film/Video

Thank you for your interest in obtaining images from the collection of The Museum at FIT.

## Terms Governing Reproductions or Publication of Images from The Museum at FIT

- Permission is granted for one-time use of the Image(s) described below, in one digital media or television/film/video publication and one language, unless otherwise stated and approved in writing. Subsequent publications and other derivative works based on the publication, must be separately licensed. The reproduction permission granted hereby is limited to a non-exclusive reproduction license solely on the terms set forth herein. FIT retains all copyright ownership. All rights not expressly granted herein are reserved to FIT.

Image(s) Requested: \_\_\_\_\_ Invoice Number: \_\_\_\_\_

- At no time may the Image(s) be used for advertisement.
- The permission and license granted herein is for the Production only. Applicant may only make additional analog or digital copies as absolutely necessary in intermediate process steps to the creation of a video, film, CD-ROM, DVD, electronic publication, or website. Such intermediate copies should be destroyed when no longer necessary. The Museum does not otherwise grant permission to reproduce or process any Image(s) in any digital format, and such permission must be separately obtained in writing.
- The image must be reproduced in its entirety. No cropping, bleeding or retouching is allowed, without prior written approval. When a detail is used, the word "detail" must appear in the credit line.
- Nothing may be superimposed on the image without prior written approval. MFIT reserves the right to request artwork be submitted for review before use.
- Credit line(s) included with delivery of image(s) must be included in the credits of the Production, or as an alt tag when the image is used on the internet. At minimum, "©The Museum at FIT" must be used. Exceptions from this credit requirement must be approved in writing by the Museum.
- Any embedded metadata associated with the Image(s) must not be altered or deleted.
- Except for websites, two complimentary copies of the Production must be sent to the Director's Office at MFIT:  
The Museum at FIT  
Attn: Melissa Marra  
Seventh Avenue at 27th Street, E-324  
New York, NY 10001
